

MADE IN USA

ENGINEERED TO DELIVER

T-Rac – The Universal Truck Rack System

T-Rac – Universal Truck Rack

Standard System Includes:

- 2 Overhead Racks
- 4 Crossbar Tiedowns

Mount your toolbox

Handy kit available.

T-Rac's Tough

- Rust free – 100% aluminum construction.
- Rugged, 750 lb. capacity (on most trucks).

T-Rac's Removable

- Remove overhead racks in minutes.
- Strip off your toolbox – leave at home.

T-Rac's Damage-Free

- Mount onto your side rails in seconds.
- Compression mounts eliminate drilling/bolting.

T-Rac's Versatile

- Works with toolboxes, under-the-rail bedliners.
- Fits any pickup truck.

Compression Mounts allow for damage-free installation.
