ENGINEERED TO DELIVER

TracVan – The Ultimate Van Rack

TracVan – Ultimate Van Rack

Standard System Includes:

- 2 Overhead Racks
- 4 Crossbar Tiedowns

Built to take a beating

- Rugged, rust-free aluminum crossbars.
- Solid powder-coated cast aluminum bases.

Mount TracVan on truck caps and gutterless vehicles using the TracGutters.

Breakthrough design

- Sleek aerodynamic profile – no wind noise.
- Extra-wide base for added strength and stability.
- Dual concealed fasteners for better gutter grip.

TracVan's Gutter Grip

Premium performance

- TracVan mounts in minutes to any van with gutters.
- Lightweight (25 lbs.) – but a mighty 500 lb. capacity.
- Tiedowns slide/readjust with a twist to suit your cargo.
